Subject: Land east of Rayleigh Road, Thundersley - 23/0085/OUT

Good morning, Terry

I hope this email finds you well.

I left a voicemail for you a little earlier but just wanted to reach out and see whether there is anything further you require from us ahead of finalising your report to planning committee for land east of Rayleigh Road, Thundersley. It would also be helpful to understand your likely recommendation within the report, and if you are awaiting any further consultee responses (I note that there does not appear to have been a further response, for example, from Natural England further to the submission of our agricultural land classification report recently). Would there be a good time this afternoon for us to catch up regarding our application?

Kind regards
Liam
