##### **Agenda Item 6 (Minute No. 13) – Public Spaces Protection Order -Response to consultation**

Cabinet considered a report back from the from the Environment Policy and Scrutiny Committee on the response to consultation on the possibility of the Council making a

Public Space Protection Order (PSPO) under Section 59 Anti-Social Behaviour Crime and Policing Act 2014 to address activities in the vicinity of Roscommon Way Canvey Island.

Cabinet considered whether the statutory criteria were met and if was a necessary and proportionate response to the issues identified to proceed to make a Public Space Protection Order.

Cabinet had regard to the good response to consultation. Cabinet took account of the longstanding nuisance being caused to residents by the noise and antisocial behaviours which was having detriment impact on the quality of life of residents affected by the activities in the vicinity of Roscommon Way Canvey Island.

Cabinet felt it was a necessary and proper response to make the order.

Cabinet being satisfied that the conditions under Section 59 Anti-Social Behaviour Crime and Policing Act 2014 were met that the:

- i. activities carried on in a public place within the Council's area have had a detrimental effect on the quality of life of those in the locality; or
- ii. it is likely that activities will be carried on in a public place within that area and that they will have such an effect.

The second condition is that the effect, or likely effect, of the activities:

- i. is or is likely to be, of a persistent or continuing nature;
- ii. is, or is likely to be, such as to make the activities unreasonable; and
- iii. justifies the restrictions imposed by the notice.

**Resolved:**

1. That the necessary steps should be taken to implement a PSPO to provide an appropriate and robust response to address the behaviours taking place in an around Roscommon Way Canvey Island as defined in the draft order appended to the report.
2. That the Environment Policy & Scrutiny Committee undertake regular review and monitoring of the PSPO once in place.
