

## SCHEDULE OF POLLING DISTRICTS, POLLING PLACES AND POLLING STATIONS

<b>KEY:</b>	<b>Change of polling station for electorate</b>	<b>* New venue</b>	<b>Proposed Split of District by the Council</b>
-------------	---	--------------------	--

**NOTE:** The polling districts have been split for the purposes of the electoral register and to show both the current arrangements and the new. The two letter reference reflects the previous polling district, the number reflects that it has now been split. Where there is no number in the reference it means that the polling district remains as it was e.g. Appleton Ward previously contained polling district AA, this has now been split between Tarpots Ward (AA1) and Appleton Ward (AA2). Polling District AJ in Canvey Island Central Ward remains as it was.
